Place Zagreb

Institution University of Zagreb, Faculty of electronics and computing

Title of qualification awarded M.Sc. electronics

Date 1999

Place Rijeka

Institution University of Rijeka, Department of Maritime Studies

Title of qualification awarded Ph.D. Technical sciences

TRAINING
(CHRONOLOGICALLY)

Year 1981

Place Zagreb

Institution High technical school of work security

Subject and skills covered Explosion protection of electrical equipment

Year 1989

Place Paris, Milano

Institution Intergraph

Subject and skills covered CAD/CAM system manager, Electric application manager

Year 1995

Place Rijeka

Institution Faculty of maritime studies

Subject and skills covered Global maritime distress and safety system operator

Year 1996

Place Rijeka

Institution Faculty of maritime studies

Subject and skills covered Master of the Ship up to 50 GT in Navigational Area 5

Year 1996

Place Rijeka

Institution Faculty of maritime studies

Subject and skills covered Chief Engineer Officer on Ship Powered by the Main Propulsion Machinery less than 350KW

Year 2001

Place Rijeka

Institution Croatian ship register

Subject and skills covered Internal independent auditor for ISO 9001:2000 and ISM code

Leading Researcher in National Projects:

Electronic logistic cluster in port area- hybrid structures – Croatian Ministry of Sciences project no: 0114010

Regional electronic logistic cluster – process orchestration
Ministry of Sciences project no 0114 – 010

Researcher in National Projects:

Information interaction design methodology in managed systems
Ministry of Sciences project no: 2-09-047

Adriatic Coast guard model – Ministry of Sciences project no: 2 112-1121722-1708

Other projects :

National strategy for Republic of Croatia – Croatia in 21st century
– coordinator of Maritime policy team – Government of RH

Dubrovnik cruise destination strategy - EBRD

TEACHING

(CHRONOLOGICALLY; UNDERGRADUATE, GRADUATE , POSTGRADUATE STUDY PROGRAMMES)

Undergraduate:

Faculty of Maritime Studies

Electronic commerce
Logistics in transportation
Process computers
Digital electronics

Graduate:

Faculty of Maritime Studies

Supply chain management
Modelling and simulations

Post graduate :

University of Rijeka, Faculty of Maritime Studies

Transport logistics

University of Trieste

Digital Logistics – Master in Comercio elettronico 2003
Digital Logistics – Master in Comercio elettronico 2004
eBusiness Game - Master in Comercio elettronico 2004
E-procurement and e-logistics in health Master Specialistico di 2° livello in

“Management in Clinical Engineering” 2005/2006, 2013/2013
